Professional Summary

Computer Science and Engineering (Data Science) undergraduate with a strong foundation in Java, Python, SQL, and Data Structures & Algorithms. Passionate about software development and solving real-world problems through technology. Eager to apply technical skills, learn new technologies, and contribute effectively in a software engineering role.

Education

Rajeev Gandhi Memorial College of Engineering and Technology 2023–2027
B.Tech in Computer Science and Engineering (Data Science) **CGPA: 8.51/10**

Rao's Junior College 2021–2023
Board of Intermediate Education **Percentage: 97.5%**

Experience

AI Engineer Intern — Oscowl AI Studio (Remote) May 2026 – Present

- Contributing to the development of a VS Code-inspired coding workspace with the Infrastructure team.
- Working on source code storage, management, and developer productivity features.
- Selected as a co-author for an upcoming AI research paper.

Projects

Sanchari AI

- Built an AI-powered travel assistant using Python, Streamlit, and Ollama.
- Integrated itinerary planning, hotel recommendations, ticket guidance, and Bring Your Own Key (BYOK) support.
- Developed an interactive chatbot interface to provide personalized travel assistance.

QuickAid – Emergency Help Locator

- Developed a location-based emergency assistance platform using Python and Streamlit.
- Integrated OpenStreetMap APIs to locate nearby hospitals, police stations, and emergency services.
- Implemented interactive maps and route visualization for faster emergency response.

Technical Skills

Languages	Java, Python, C
Web Technologies	HTML, CSS, JavaScript
Databases	SQL
Core CS	Data Structures & Algorithms, OOP, DBMS
Tools	Git, GitHub, VS Code, Streamlit

Positions of Responsibility

Lead - The Codes Club

- Mentored juniors in programming fundamentals and problem-solving.
- Organized peer coding sessions and technical discussions.

Member - Google Developer Groups (GDG)

- Supported college hackathons and technical events.

Certifications

UiPath Certified Professional — Specialized AI Associate
